

CATERING TROLLEY

Our Catering Trolley's are custom built alternative for your new catering business, with a range of options to suit your needs. The Catering Trolley is ergonomically designed for smooth operation on level surfaces and compact enough to fit into small areas, allowing you to operate your barista coffee business in almost any location.

Each trolley comes with everything you need to start your new mobile catering business on wheels. Our trolley's are national gas and electricity compliant and are Australian food standard approved. Let us help you with everything you need, both equipment and training.

Larger motorised trolley's are also available, please get in touch with our sales team to discuss how we can customise your Catering Trolley today!

Pricing starts from \$16,360 + GST*

For your Catering Trolley ready to go!

Final pricing depends on equipment and options you choose to include.

Call us now for a customised quote.
