

If you're looking for a unique and fun catering option for your golf club, resort or university, we have the perfect option for you. The coffee caddy is a self-contained catering unit, perfect for serving fresh, hot coffees anywhere (literally).

Bella Manufacturing offer fully customised Coffee Caddy's, ready for you to hit the greens. There's nothing better than bringing together two of Australia's favourite things—a good coffee and the outdoors.

With full training and support we can help you realise your business goals and live the lifestyle you have always dreamed of.
