ICE-CREAM VAN

The Aussie appetite for ice cream is as big as ever! Bella Manufacturing offer modern, sleek and contemporary design Ice Cream Vans. Our vans are set up with the world's finest ice cream and gelato making equipment and our team work with you through the design process, construction, and set up and provide ongoing support for your Ice Cream Van business.

Every Ice Cream Van is unique and we custom design and build to your needs. We can tailor a fit out package for your new or pre-loved van or even do a re-fit on your current can.

We also offer a 'green', eco-friendly option, which will help you save on running costs.

Contact us today for more information about how we can help you!

Pricing starts from \$40,100 + GST*

For your ice cream van fit-out only.

Price does not include vehicle and depends on equipment you choose to include.

Call us now for a customised quote.
