WALK-IN COFFEE TRAILER

Our Walk-In Coffee Trailer is the perfect catering solution for any function or event. Fully fitted out and ready for you to hit the road, our trailers come with the flexibility to unhook from your vehicle at the end of your working day,

We custom build your unit to create the perfect trailer for you, tailored to your needs. Our trailer also have a 'green', eco-friendly alternative, which will help you save money (and the environment).

Our trailers are national gas and electricity compliant and are Australian food standard approved. We can help with everything you need to get your new business on the road.

Call our sales team today to find out how we can help with your new Coffee Trailer business!

Pricing starts from \$46,340 + GST*

For your Coffee Trailer ready to go!

Final pricing depends on equipment and options you choose to include.

Call us now for a customised quote.
