

Our Walk-In Food/Coffee Van is a larger alternative, perfect for food preparation for catering purposes. Each van is professionally finished with a wide range of equipment available including coffee machines, pie warmers, hot plates, display units, fridges and freezers. These custom fit outs are perfect for high top vans like Ford Transits, Renault Masters, Mercedes Sprinters, Iveco and more.

We offer a completed fit-out service including all the equipment and training you need to start your new business (include CAD approval). Our vans are national gas and electricity compliant and are Australian food standard approved.

Contact us to discuss your requirements and find out how we can customise your new Walk-In Food Van.
