

COFFEE TRIKE

Our Coffee Trikes are an innovative mobile catering opportunity, including all of the equipment you need to start operating. The eco-friendly Coffee Trikes are clean, green and self-sufficient.

Add an umbrella for protection from the elements (and stand out from the crowd). Our Coffee Trikes travel easily and safely with full payload. We have ensured everything is fit for purpose using the very best components and accessories.

Our Coffee Trikes are built to work and made to last. With offices nation wide, Bella Manufacturing will be there to help you through every step of your new venture.

Contact our sales team to find out how we can help with your new Coffee Trike business!

Pricing starts from \$28,990.00 + GST*
For your Coffee Trike ready to go!
Final pricing depends on equipment and options you choose to include.
