

FOOD TRUCK

Our Food Trucks offer an amazing commercial kitchen on wheels. We build onto any suitable cab chassis truck. This “walk-in” food and beverage service truck provides a safe, secure and fully enclosed working space with loads of practical options. We custom build your Food Truck fit out to ensure you have everything you need to hit the road.

Our truck fit outs also have a ‘green’, eco-friendly alternative, which will help you save money on running costs. The Food Truck fit out is national gas and electrical compliant and Australian food standard approved.

We can help you with everything you need, including CAD plans, to start your new Food Truck business.
