

Bella Manufacturing

Custom Mobile Food Truck Solutions

Bella Manufacturing has been servicing the mobile food, catering and promotion vehicle industry with their premium product range for many years. Being the leading Australian manufacturer we pride ourselves in providing an end-to-end solution, beginning with an initial consultation, custom CAD layout and factory visit, through to development, build and after sales support.

Our Food Truck is a commercial kitchen on wheels, built onto any suitable cab chassis truck. We offer a fully customised experience to ensure that your business has everything it needs to run a smooth production line.

National gas and electrical compliant to Australian Food Safety Standards. A full set of CAD plans and documentation will be provided for council submission. We build from the tires up with quality Australian made products.

Our team is here to help every step of the way and provide you with everything you need to get your mobile food unit on the road. Pricing varies dependent on the customability of your project and the equipment you choose.

Pricing starts from \$58,990.00 + GST

For you basic 4.5M fit-out (Bondor panel & fit-out only)
Pricing does not include vehicle and depends on equipment you choose to include.

Inclusions:

- Full commercial kitchen to suit local council requirements
- Australian made Bondor or Versiclad 50mm steel or aluminium skinned paneling system to comply to Australian standards
- Lift up window opens to serving benches
- Stainless steel benches to food service areas with splash back on two sides
- 3 x sinks with wet edges
- Fresh and waste water storage tanks with monitor
- Water pump, filter and hot water system
- Lighting for evening operation
- Fully lockable security entry door with insect screen
- Ceiling vents
