

Bella Manufacturing

Mobile Food, Promotional & Activation Solutions

Bella Manufacturing has been servicing the mobile food, catering and promotion vehicle industry with their premium product range for many years. Being the leading Australian manufacturer we pride ourselves in providing an end-to-end solution, beginning with an initial consultation, custom CAD layout and factory visit, through to development, build and after sales support.

Our team have a unique set of skills and have been creating memorable experiences with our diversifying range of products to suit the individual needs of many brands.

Being the leading manufacturer in Australia, we have worked with many businesses to take their brand to the next level. Some of these include: Nestle (Milo), Zambrero, Maggi, SPC, Navy Canteens, Boost Juice, Harley Davidson, Urban Utilities, Oz Harvest and many more!

A Bella mobile solution creates real touch points between the brand and the customer. Our range of product offers everything from small pop-ups, to large and complex experiential activation. Whether its a cart, van, food truck, silver bella or container conversion, we will have a solution!
