## Silver Bella

Bella Manufacturing has been servicing the mobile food, catering and promotion vehicle industry with their premium product range for many years. Being the leading Australian manufacturer we pride ourselves in providing an end-to-end solution, beginning with an initial consultation, custom CAD layout and factory visit, through to development, build and after sales support.

The Silver Bella is a stunning self container mobile unit that stands out in the crowd. With its retro American styling it creates an interest of its own, bringing customers to you. This walk-in unit is perfect for any food, bar or merchandising event.

Whether you need a small or large catering solution, this is the perfect option for your catering business. The custom built Silver Bella is a unique alternative for your business and will set you apart.

CAD plans will be provided for council permits and applications. All units are designed to comply with Australian Food Safety Standards ANZFSA 3.2.3.

Our team is here to help every step of the way and provide you with everything you need to get your mobile food unit on the road.
