

Bella Manufacturing

Smoker Trailer

Bella Manufacturing has been servicing the mobile food, catering and promotion vehicle industry with their premium product range for many years. Being the leading Australian manufacturer we pride ourselves in providing an end-to-end solution, beginning with an initial consultation, custom CAD layout and factory visit, through to development, build and after sales support.

The Smoko Trailer fit-out includes a fully compliant mobile commercial kitchen with a sheltered balcony. The trailer is designed to have a meat smoker, BBQ or spit roast on the rear veranda section with food preparation on the inside.

CAD plans will be provided for council permits and applications. All units are designed to comply with Australian Food Safety Standards ANZFS 3.2.3. We build from the tires up with quality Australian made products.

Our team is here to help every step of the way and provide you with everything you need to get your mobile food unit on the road.
