

Coffee kiosks or trolleys are a versatile stationary or semi-stationary mobile catering option. Typically used for coffee, they can also extend to offer warm and cold food, packaged and cold drinks.

Kiosks are lockable to keep equipment secure when unattended and can be custom made with lighting and other fixtures for a unique look and feel.

Pricing for custom coffee kiosks start from \$32,000 + GST and your chosen equipment.

Call us on 1300 721 811 to discuss your requirements.
