

The coffee van is a self-contained catering unit, perfect for serving fresh, hot coffee anywhere.

Regardless of the vehicle you choose, we offer fully customised fit outs with high quality equipment, ready for you to hit the road.

Whether you are taking up a franchise opportunity or trading independently, we work with you to design a vehicle that fits your business vision.

Custom coffee van fit outs start from \$34,000 + GST and your chosen equipment.

Price excludes vehicle - fleet discounts are available to our customers, talk to us today.
