

A Bella Manufacturing smoko truck is perfect for mobile coffee and catering businesses that want to set themselves apart from a traditional coffee van or coffee trolley.

With three large lift-up doors, customers are protected from the elements whilst enjoying a large display area showcasing products. As with all Bella units, equipment and fitout is custom built to specification whilst meeting Australian standards.

Custom commercial smoko truck fit out from \$81,250 + GST and your chosen equipment.

Price excludes vehicle - fleet discounts are available to our customers, talk to us today.
