

A walk-in food/coffee van is a larger alternative to a walk-around van and is perfect for food preparation. Professionally finished with a wide range of equipment available, these custom fit outs are perfect for a high top van such as Ford Transit, Renault Master, Mercedes Sprinter, Iveco and more.

Our vans are national gas and electricity compliant and Australian food standard approved.

Custom van fit outs start from \$63,000 + GST and your chosen equipment.

Price excludes vehicle - fleet discounts are available to our customers, talk to us today.
